Master in I-Design launches

## INTERNATIONAL CALL FOR TECHNO TALENTS year 2007

### GENERAL INFORMATION

Domus Academy and Interaction Design Institute launch the 2007 Master in I-Design and are looking for young talents to involve.

I-Design culture combines

#### TWO DIFFERENT SKILLS:

// a strong **aesthetical, strategic and design capability;**

// competence in the **technological aspects.**

Are you ready to work in a design oriented environment? Are you ready to test your skill in cross disciplinary contest?

Are you excited about new programming challenges in design? Are you always thinking about making functioning prototypes for your concepts or installations?

### We are looking for people like you...

#### PROFILE SOFT / you think that code is poetry...

Your mind is always thinking on how to program your next project. You are the person **who knows the best program for any application.** You are able to program in languages such as **Action Script, Lingo, Processing, Pure Data, Max/MSP, VVVV.**

#### PROFILE HARD / you blindly faith in chips and sensors...

You have experience in physical computing and are familiar with **principles of electronics and mechanics.** You understand microcontrollers, and their capabilities in controlling processes with sensors and actuators. You are familiar with prototyping platforms such as **Arduino/Wiring, PIC.** You are able to program in languages such as **C, Visual Basic, Assembler.**

### HOW TO APPLY

In order to participate applicants are expected to **e-mail Domus Academy** the following materials:  
// **profile** (containing all the contact data);  
// **motivation letter.**

Web reference to personal portfolio can be highlighted on the profile.

**APPLICATION MUST BE SENT  
BY OCTOBER 27<sup>TH</sup>, 2006**

### PRIZES

Domus Academy offers:

- // two prizes of 70% discount on the tuition fee\* of the I-Design Master 2007
- // two prizes of 50% discount on the tuition fee\* of the I-Design Master 2007

\*13.000 Euro + 20% VAT

### RESULTS

By **November 15<sup>TH</sup>**, the results will be noticed by e-mail.
